PUBLIC REPRESENTATIVE COMMENTS ON POSTAL SERVICE REQUEST TO ADD
PRIORITY MAIL CONTRACT 96 TO COMPETITIVE PRODUCT LIST
(November 3, 2014)

The Commission issued Order No. 2230 to receive comments on a Postal Service Request to add Priority Mail Contract 96 to the competitive product list.^{1 2} The Postal Service's Request includes a Statement of Supporting Justification, a certification of compliance with 39 U.S.C. § 3633(a), and a copy of the Governor's Decision No. 11-6 dated March 22, 2011. The proposed new product contract and supporting financial data were filed under seal.

The Postal Service states that Priority Mail Contract 96 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. § 3632(b)(3). Request at 1. It also asserts that the prices and classification underlying the instant contract are supported by Governors' Decision No. 11-6.³

The instant contract will be effective the day following the date on which the Commission issues all necessary regulatory approvals. Attachment B at 4. The contract

COMMENTS

Based on the financial data filed by the Postal Service the contract appears to meet the requirements of 39 U.S.C 3633(a) during the first contract year.

No financial data has been provided by the Postal Service to conclude that the contract will meet the requirements of 39 U.S.C. 3633(a) in following years. The contract terms include an adjustment of prices periodically with changes in prices of general applicability. The inclusion of these terms may aid in compliance with the requirements of 39 U.S.C. 3633(a) over the lifetime of the contract. The Public Representative is mindful that the Postal Service must also report data relating to NSA's annually to the Commission to ensure compliance with statutory requirements.

Based upon review of the instant contract, the Statement of Supporting Justification, and the financial data and model filed under seal, the Public Representative concludes that Priority Mail Contract 96 should be categorized as a competitive product and added to the competitive product list.

The Public Representative respectfully submits the preceding Comments for the Commission's consideration.
